Electro Technik Industries, Inc. Acquires Advanced Power Conversion Solutions

Barre, March 20, 2023 - For immediate release

Electro Technik Industries, Inc. (ETI), an electronics manufacturing company headquartered in Clearwater, Florida has acquired Advanced Power Conversion Solutions (dba Advanced Conversion.) Advanced Conversion will operate as an individual subsidiary of ETI. ETI owns and operates 15 other subsidiary companies in the passive electronic component field.

ETI is organized into three distinct business groups that focus on capacitors/filters & resistors, RF/microwave components, and magnetics/transformers. ETI is registered to ISO 9001 at all its manufacturing/design facilities and has a strong 42 year history of growth.

Like Advanced Conversion, ETI has a strong belief in customer relations. We remain committed to our valued partnerships and will continue to put the needs of our customers first as we work together to create industry-leading technology and grow with this exciting, electrified future.

For more information about ETI, please visit our website at www.advanced-conversion.com.
